

Permission to apply sunscreen

Children love to play outside in the sun but sunburn in childhood increases the risk of developing skin cancer in later life.

Children's skin is delicate, but you can protect their skin by:

- Avoiding the midday sun (between 11am and 3pm)
- Playing in the shade
- Wearing a hat that covers the ears and neck
- Covering up with a T-shirt and wear sunglasses that have UV filters
- Using a minimum of SPF30 sunscreen on exposed skin. Apply sunscreen liberally and reapply regularly

Scissett Kids Club is concerned about protecting your child from sunburn and skin damage. Please provide a suitable hat, such as legionnaires hat or sunhat. On sunny days please apply sunscreen to any exposed parts.

With your consent we will also help your child to apply sunscreen when necessary. Please complete and return the consent form below.

Permission to apply sunscreen

Child/children's name _____

I am happy for my child/children to have sunscreen applied at Scissett Kids Club.

Please delete as appropriate:

A) I will provide a bottle of sunscreen labelled with my child's name for use at the club.

Or

B) I am happy for the club to provide sunscreen.

Parent/carer's name _____ Date _____

Parent/carer's signature _____

This consent will remain valid whilst your child is in the care of this club.
